After the High-level Review – Connecting Local and Global Action to Implement the WPS Agenda

Final panel of the Lecture Series on Women, Peace and Security

Since 2012, The Permanent Mission of Liechtenstein, together with the Peace Women Programme of the Women's International League for Peace and Freedom (WILPF), and the Liechtenstein Institute on Self-Determination at Princeton University, has co-organized a panel series to promote the WPS agenda. The panels covered a wide range of topics from the WPS agenda and intended to build momentum leading up to the 15-year review. Join us for the final edition of the lecture series. The panel will discuss lessons-learned, reflect on the outcomes of the High-level Review as well as key elements to ensure successful implementation in the future.

Speakers:

Ms. Aurelia Frick, Minister for Foreign Affairs, Education and Culture of Liechtenstein

Ms. Anne-Marie Goetz, Clinical Professor at New York University, former Peace and Security Chief of UN Women

Ms. Joy Onyesoh, President WILPF Nigeria
