Resolution 2442 (2018)

Adopted by the Security Council at its 8391st meeting, on 6 November 2018

The Security Council,

Recognizing that 2018 marks the 10th anniversary of resolution 1816 on the situation with respect to piracy and armed robbery at sea off the coast of Somalia and recalling its previous resolutions concerning the situation in Somalia, especially resolutions [1814 \(2008\)](#), [1816 \(2008\)](#), [1838 \(2008\)](#), [1844 \(2008\)](#), [1846 \(2008\)](#), [1851 \(2008\)](#), [1897 \(2009\)](#), [1918 \(2010\)](#), [1950 \(2010\)](#), [1976 \(2011\)](#), [2015 \(2011\)](#), [2020 \(2011\)](#), [2077 \(2012\)](#), [2125 \(2013\)](#), [2184 \(2014\)](#), [2246 \(2015\)](#) and [2316 \(2016\)](#) and [2383 \(2017\)](#) as well as the Statements of its President ([S/PRST/2010/16](#)) of 25 August 2010 and ([S/PRST/2012/24](#)) of 19 November 2012,

Welcoming the report of the Secretary-General ([S/2018/903](#)), as requested by resolution [2383 \(2017\)](#), on the implementation of that resolution and on the situation with respect to piracy and armed robbery at sea off the coast of Somalia,

Reaffirming its respect for the sovereignty, territorial integrity, political independence, and unity of Somalia, including Somalia's sovereign rights in accordance with international law, with respect to offshore natural resources, including fisheries,

Noting that the joint counter-piracy efforts of States, regions, organizations, the maritime industry, the private sector, think tanks, and civil society have resulted in a steady decline in pirate attacks as well as hijackings since 2011, with no successful ship hijackings reported off the coast of Somalia since March 2017 however, *recognizing* the ongoing threat that resurgent piracy and armed robbery at sea poses to the prompt, safe, and effective delivery of humanitarian aid to Somalia and the region, to the safety of seafarers and other persons, to international navigation and the safety of commercial maritime routes, and to other ships, including fishing vessels operating in conformity with international law, *commending* countries that have deployed naval forces in the Gulf of Aden and the Somali Basin to dissuade piracy networks from carrying out acts of piracy,

Welcoming the reinstatement of the Somali Maritime Security Coordination Committee (MSCC) meeting held from 9 to 10 July 2018 between the Federal Government of Somalia, Federal Member States and international partners which called for enhanced cooperation in strengthening Somalia's maritime security as a key priority for both the Federal Government of Somalia and Federal Member States and urged the National Security Council to agree on a delineation of roles of the

Somali maritime forces, as required by the Transition Plan and recognizing the importance of engaging in transition planning,

Further reaffirming that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 (“The Convention”), sets out the legal framework applicable to activities in the ocean, including countering piracy and armed robbery at sea,

Recognizing the need to investigate and prosecute not only suspects captured at sea, but also anyone who incites or intentionally facilitates piracy operations, including key figures of criminal networks involved in piracy who plan, organize, facilitate, or illicitly finance or profit from such attacks, and *reiterating* its concern over persons suspected of piracy having been released without facing justice, reaffirming that the failure to prosecute persons responsible for acts of piracy and armed robbery at sea off the coast of Somalia undermines anti-piracy efforts,

Noting with concern that the continuing limited capacity and domestic legislation to facilitate the custody and prosecution of suspected pirates after their capture has hindered more robust international action against pirates off the coast of Somalia, which has led to pirates in many cases being released without facing justice, regardless of whether there is sufficient evidence to support prosecution, and reiterating that, consistent with the provisions of The Convention concerning the repression of piracy, the 1988 Convention for the Suppression of Unlawful Acts Against the Safety of Maritime Navigation (“SUA Convention”) provides for parties to create criminal offences, establish jurisdiction, and accept delivery of persons responsible for, or suspected of seizing, or exercising control over, a ship by force or threat thereof, or any other form of intimidation,

Underlining the primary responsibility of the Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia, noting the several requests from Somali authorities for international assistance to counter piracy off its coast, including the letter of 25 October 2018, from the Permanent Representative of the Permanent Mission of Somalia to the United Nations *expressing* the appreciation of Somali authorities to the Security Council for its assistance, expressing their willingness to consider working with other States and regional organizations to combat piracy and armed robbery at sea off the coast of Somalia, asking member states and international organizations to support the Federal Government of Somalia in its efforts to address illegal, unreported, and unregulated fishing in its Exclusive Economic Zone, and *requesting* that the provisions of resolution [2383 \(2017\)](#) be renewed for an additional 12 months,

the assistance provided by the United Nations Office of Drugs and Crime (UNODC) Maritime Crime Programme, and being determined to continue efforts to ensure that pirates are held accountable,

Commending the efforts of the European Union Naval Forces (EUNAVFOR) Operation ATALANTA and EUCAP Somalia, Combined Maritime Forces' Combined Task Force 151, the counter-piracy activities of the African Union onshore in Somalia and other States acting in a national capacity in cooperation with Somali authorities and each other to suppress piracy and to protect ships transiting through the waters off the coast of Somalia, and *welcoming* the Shared Awareness and Deconfliction Initiative (SHADE) and the efforts of individual countries, including China, India, the Islamic Republic of Iran, Japan, the Republic of Korea, and the Russian Federation, which have deployed naval counter-piracy missions in the region,

Noting the efforts of flag States for taking measures to permit vessels sailing under their flag transiting the High Risk Area (HRA) to embark vessel protection detachments and privately contracted armed security personnel (PCASP), and to allow charters that favour arrangements that make use of such measures, while urging States to regulate such activities in accordance with applicable international law,

Supporting the development of a coastguard at the federal level and coastguard police at the Federal Member State level, *noting* with appreciation the efforts made by the IMO and the shipping industry to develop and update guidance, best management practices, and recommendations to assist ships to prevent and suppress piracy attacks off the coast of Somalia, including in the Gulf of Aden, and in relevant parts of the Indian Ocean that are still within the High Risk Area and *recognizing* the work of the IMO and the CGPCS in this regard, *noting* the efforts of the International Organization for Standardization, which has developed industry standards of training and certification for Private Maritime Security Companies when providing PCASP on board ships in high-risk areas, and further *welcoming* the European Union's EUCAP Somalia, which is working to develop the maritime security capacities of Somalia,

Underlining the importance of continuing to enhance the collection, preservation, and transmission to competent authorities of evidence of acts of piracy and armed robbery at sea off the coast of Somalia, and *welcoming* the ongoing work of the IMO, INTERPOL, and industry groups to develop guidance to seafarers on preservation of crime scenes following acts of piracy, and *noting* the importance of enabling seafarers to give evidence in criminal proceedings to prosecute acts of piracy,

(RCOC) in Seychelles following the signing of the Regional Agreement for the Setting up of a Regional Maritime Information Exchange and Sharing Mechanism in the Western Indian Ocean by Djibouti, Madagascar, Mauritius, Union of Comoros and Seychelles, including the establishment of the Piracy Prosecution Readiness Plan which, under the auspices of UNODC and in partnership with EU NAVFOR, will further develop the region's capacity to conduct piracy prosecutions,

Reaffirming international condemnation of acts of kidnapping and hostage-taking, including offences contained within the International Convention against the Taking of Hostages, strongly *condemning* the continuing practice of hostage-taking by pirates operating off the coast of Somalia, *expressing* serious concern at the inhumane conditions hostages face in captivity, *recognizing* the adverse impact on their families, *calling* for the immediate release of all remaining hostages, and *noting* the importance of cooperation between Member States on the issue of hostage-taking and the prosecution of suspected pirates for taking hostages,

Commending Kenya, Mauritius, Seychelles, and Tanzania, for their efforts to prosecute suspected pirates in their national courts, and *noting* with appreciation the assistance provided by the UNODC Maritime Crime Programme, the Trust Fund, and other international organizations and donors, in coordination with the CGPCS, to support Kenya, Mauritius, Seychelles, Tanzania, Somalia, and other States in the region with their efforts to prosecute, or incarcerate in a third State after prosecution elsewhere, pirates, including facilitators and financiers ashore, consistent with applicable international human rights law, and *emphasizing* the need for States and international organizations to further enhance international efforts in this regard,

Welcoming the work of the Maritime Security Coordination Committee (MSCC), the central mechanism for developing capability and identifying and channelling support, as highlighted at the London Somalia Conference in May 2017, and *encouraging* the Somali national and regional administrations to take increasing responsibility for counter-piracy initiatives,

Expressing serious concern over reports of illegal, unreported and unregulated fishing (IUU) in Somalia's Exclusive Economic Zone (EEZ), and *noting* the complex relationship between IUU fishing and piracy, *recognizing* that IUU fishing accounts for millions of dollars in lost revenue for Somalia each year, and can contribute to destabilization among coastal communities,
